

# WANASEK RECYCLING FACILITY

ALL customers should stop at the Field Operations Office and see Scott Behnke to arrange material pick up. Charges will be billed to customers with an open account. Other customers will be required to make payment when receiving material. If you will be receiving more than 1 load, a blank check can be left at our office and filled out when you have finished picking up for the day. Thank You.

## Material RATES:

- Bank Run \$3.75 per yard
- Recycled Asphalt \$7.50 per yard
- Recycled Concrete \$6.75 per yard

## **RECYCLING FACILITY RULES AND CONDITIONS**

- 1.) Please note that loads will be checked for foreign debris i.e. (wood, plaster, tile, asphalt...). If any is found, loads will be rejected.
- 2.) Loads with excessive dirt will not be accepted.
- 3.) Masonry rubble that has paint, will not be accepted unless it is verified in writing that no lead is present.
- 4.) Dumping is at your own risk, you agree to hold harmless The Wanasek Corp, Jopa Inc, Wanasek Investments LLP, or its officers from any and all damages caused to you or your vehicle while operating on our premises.
- 5.) Prices subject to change without notice

## ACCEPTANCE

I accept the above conditions and rates.
